The World of Advertising

Artistic World Graphics is a full service advertising & marketing company located in beautiful Kelowna, BC. We have the creative design expertise and marketing strategies to help you build a complete corporate communications program. We also subcontract when needed to local businesses that require someone with skills to lend a hand but not enough projects to account for a full time employee. Artistic World Graphics is a small business and prefers to stay that way.

Provided in this website are customer samples from past projects, we showcase them as another way to promote their business. We believe in developing relations with our customers and we welcome you to visit these websites and request information on our company. If have a specific requirement for marketing or design we will be happy to provide you advertising personalized to your request.
